GENERAL TERMS AND CONDITIONS OF SALE

PRICES: Honeywell Analytics' quotations remain in force for 60 days from the date of quotation. Prices are thereafter subject to change without notice. All applicable federal, state, or local sales, excise, use or other taxes levied on the equipment subject to this Agreement shall be paid by buyer. Honeywell Analytics reserves the right to charge sales tax, unless a "Tax Exempt Certificate" is presented at the time of purchase, or we have a current blanket certificate on file. Should a purchase order not be covered under the blanket certificate it is the customer's responsibility to make a payment directly to the proper taxing authority. Prices and terms are valid for products delivered and used in the United States and Canada only. Consult Honeywell Analytics for International pricing, terms and conditions.

ERRORS: We reserve the right to correct errors or omissions.
TERMS: Domestic payment terms are net thirty days, subject to credit department approval. Export payment terms to be quoted upon request. All payments are to be in U.S. dollars.
PARTIAL SHIPMENTS: Partial shipments will be invoiced as shipped. Payments are due as invoiced.
SHIPMENTS: Shipments and deliveries shall be subject to the approval of our Credit Department. Shipping shall be F.O.B. Lincolnshire, IL with freight charges prepaid and invoiced. Title and risk of loss shall pass to the purchaser at the point of shipment. We are not responsible for any loss, damage or delay that may occur after goods have been accepted for shipment by the transportation company. Claims for shipping damages should be made to the carriers.
Prices include products having standard domestic packing only. Where packing for overseas shipment is required, refer to Honeywell Analytics for additional costs.
SHIPMENT DELAY: If the requested or promised delivery date is delayed through no fault of Honeywell Analytics, Honeywell Analytics reserves the right to invoice in advance of shipment under regular terms of payment.
DELIVERY: Delivery dates are given to the best of our knowledge based on conditions existing at the time of quotation. We will make every effort to ship within the time estimated but cannot guarantee to do so. Failure to make shipment as scheduled does not constitute a cause for cancellation and/or damages of any character. The execution of this order is contingent upon strikes, fires, shortage of material, governmental approvals, delays of carriers and other delays or causes either unavoidable or beyond our control.

SERVICE/PARTS CONTRACT CANCELLATIONS: Cancellation of any service or parts contract requires written notification to Honeywell Analytics Service Department 90 days prior to effective cancellation date. Any service contract cancelled will incur a charge equal to 30% of the contract total. Any parts contract cancelled will incur a charge equal to 15% of the contract total. All prepaid service contracts are non-refundable.
CANCELLATION: Cancellation of orders will be accepted only on written notice to Honeywell Analytics and upon payment of reasonable and proper termination charges. These charges are such as to guarantee Honeywell Analytics against any loss and will not be less than 20% of the selling price.
WARRANTY: Each new instrument manufactured and/or sold by us is warranted to be free from defects in material and/or workmanship. Our responsibility is limited to repairing or replacing any instrument or part thereof for a period of one year after startup or eighteen months after shipment, whichever comes first, Sieger brand catalytic sensors and Searchpoint Optima have an additional four year warranty on parts, when, in our opinion, the repair or replacement is covered by this warranty. Any defective equipment must be returned prepaid to the Honeywell Analytics' factory for service (See Returns). Service in the field or at the customer's premises is not covered under the warranty. Time and travel expenses for warranty service at the customer premises will be charged at Honeywell Analytics' normal billing rates.
This warranty does not cover components that are expendable in normal use and thus have an unpredictable life, such as batteries, fuses, sensor cells, printer paper, and paper tapes (Chemcassette ®).
Certain components by their nature have a life expectancy less than one year. Honeywell Analytics limits the warranty on these components to the time period stated on this quote.
Instruments which have been repaired or replaced during the warranty period are warranted for the remainder of the unexpired portion of the original warranty period.
Honeywell Analytics is released from all obligations under its warranty in the event repairs or modifications are made by persons other than its own authorized personnel, unless such work is authorized in writing by Honeywell Analytics. Honeywell Analytics is released from all obligations under its warranty in the event that detection substrates or sensors other than Honeywell Analytics' Chemcassettes or sensors have been installed and used in Honeywell Analytics' instruments.
SPECIFICATION CHANGES: The factory retains the right to discontinue and/or change specifications of any instrument without responsibility for incorporating changes in instruments already sold.
RETURNS: Authorization and shipping instructions for the return of any product must be obtained by the purchaser from Honeywell Analytics before returning the product. The product must be returned with complete identification in accordance with Honeywell Analytics' instructions or it will not be accepted. Returned items are subject to a restocking charge of 20% of selling price. In no event will Honeywell Analytics be responsible for product without proper authorization or identification.
LIMITATION OF LIABILITY: Honeywell Analytics' warranty sets forth the limit of Honeywell Analytics responsibility and ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS, ARE EXCLUDED.

Honeywell Analytics, its contractors and suppliers, representatives of any sort shall not be liable in contract, or otherwise for damage or loss of other property, equipment, profits, revenue, cost of capital, or any other type of loss related to the use of this equipment. The extent of Honeywell Analytic's liability in such cases shall not exceed the price of the equipment or part on which such liability is based.

MINIMUM BILLING: The minimum billing charge for orders shall be $50.00 plus transportation charges, as indicated under "Shipments"
